

Whatever your space,  
there's now a Miele to fit

PW 5105 **OctoPlus Vario**  
Washer-Extractor

# Whatever your space, there's now a Miele to fit

## PW 5105 **Octoplus Vario** Washer-Extractor

### Overview

This powerful new washing machine brings larger wash capabilities to laundry rooms with only single phase electricity or three phase dependant on your needs, meaning that you can increase your wash loads without the expense of upgrading your power supply. This economical washer boasts up to 73% lower energy consumption and up to 56% lower water consumption.

This washer compliments the SlimLine dryer perfectly, so all your laundry needs can be catered for.
